Summary

Hardworking and self-motivated web developer with 4+ years of experience. Solid knowledge in JavaScript development, from backend applications with Node to frontend with well-known libraries and frameworks such as Angular and React. Basic experience with Java, C/C++ and Python languages, but always willing to deepen knowledge in any area. Able to work collaborating with a team, or even self-managing independent projects.

Experience

Backend Developer
Wipro
Oct 2021 - Present (5 months +)
- Development and maintenance of Node services, ensuring scalability and availability of customer services. Currently working for Bradesco bank.
